

# DOT OSP License Registration in India

## What is a DOT OSP License?

**DOT OSP license** is required by everyone planning to start a call centre, BPO or KPO. The government has made it mandatory for service providers in India providing services like telemedicine, tele-education, telebanking, tele-training, call center, e-commerce, network operation center, other IT Enabled Services and is using telecom resources.

## What are the DOT OSP License Requirements?

- Certificate of Incorporation of Private Limited Company
- Memorandum of Association (MOA) and Articles of Association (AOA)
- Board of Resolution or Power of Attorney authorizing the authorized signatory
- Name of Business and Activities Proposed
- List of Directors
- Present Shareholding, etc.

The above documents must be certified with seal by a Company Secretary or Director of the Company or Statutory Auditor or Public Notary.

## How to get a DOT OSP License?

The DOT License application is an extensive process subject to strict adherence to complete and accurate paperwork and procedure. An error in paperwork is likely to delay the process by several weeks or even months leading to loss of time and money.

Hiring an experienced DOT consultant can help you save time and efforts and get an DOT License without a hassle in stipulated time period.
