What is FSSAI?

- Food Safety and Standards Authority of India is a statutory body established under the Ministry of Health & Family Welfare, Government of India.
- The foremost responsibility of FSSAI include the development of Science-based Food Standards for articles of food and food products and to regulate their manufacture, storage, distribution, sale and import to ensure availability of safe and wholesome food for human consumption.

What is FSSAI License?

- The Food Safety and Standards Authority of India (FSSAI) offers a food license to all food business operators (FBO) in India.
- FSSAI registration is mandatory compliance that ensures the safety of food products supplied or manufactured by various establishments in India.
- For details on FSSAI License, visit the [official government website](#).
